Secretary to Government,
Revenue Department, Bangalore

Sir,

Subject - Additional items of expenditure incurred by the Management of Sri.Krishnarajendra High School,Krishnarajanagar from 1945-46

I have the honour to state that it is reported that in view of the increase in the number of sections in Sri Krishnarajendra High School, Krishnarajanagar during 1945-46 and also of the fact that the clerk of the school had not been able to cope with the increasing work in the school, the Managing Committee of the school at its meeting held on 10-3-1945 resolved that two additional teachers in the grade Rs.40-4-60 and an additional clerk on Rs.20/- per mensem might be appointed in the school from 1-7-1945 in the interest of the efficient working of the school and - subsequently the local Municipal Council at its meeting held on 16th June 1945 approved the above proposals of the Managing Committee of the school. But it is stated that as the question of opening of two sections in the III year class in the school from 1945-46 was dropped subsequently for want of accommodation and only the II year class was bifurcated, one section having Kannada medium of instruction and the other the English medium of instruction, and thereby the number of periods had increased by 20, only one additional teacher on Rs 44/- per mensem in the grade of Rs 40-4-60 and an additional clerk (a locally available candidate) on Rs 20/- per mensem were appointed in the school on 13th August 1945 and 7th July 1945 respectively pending sanction

It is stated further that though the appointment of the additional teacher and the additional clerk was temporary in the first instance for a period of one year during 1945-46 as per the original proposals of the Managing Committee of the school and the local Municipal Council, yet, as the circumstances under which these temporary appointments were made -

made continued to exist and increased the necessity to continue these additional posts on a permanent basis from 1946-47, the - Managing Committee of the school at its meeting held on 5th April '46 considered the question and approved the budget estimate of the school for the year 1946-47 with the additional provision for two more - additional teachers in the grade Rs.40-4-60 for the school The Municipal Council at its meeting held on 16th April 1946 has approved in toto the budget estimate prepared and approved by the Managing - Committee of the school on 5th April 1946 Accordingly, the posts of an additional teacher and an additional clerk created during - 1945-46 are stated to have been continued in the school during 1946-47 and two more additional teachers on Rs 44/- per mensem each in the grade Rs 40-4-60 appointed in the school during 1946-47, one on 15th July 1946 and the other on 10th October 1946 It is requested that these additional posts may be sanctioned on a permanent basis as resolved by the Managing Committee of the school and the local Municipal Council at their meetings held on 7th November 1947 and 15th November 1947 respectively

It is further reported that on a representation made by Sri C Nanjundasastry, the Senior Clerk of the school for the enhancement of his pay, the Managing Committee of the school and the local Municipal Council at their meetings held on 2nd September 1946 and 14th Septembe 1946 respectively have resolved that two scales of pay viz , Rs 25-1-[illegible] 1-40 and Rs 20-1-25 be introduced in the school for the Senior and - Junior clerks respectively and that the pay of the senior clerk be - fixed at Rs 30/- per mensem in the revised grade of Rs 25-1-30-1-40 with effect from 1st August 1946 On enquiry the Secretary reports t the revised scales of pay of the Senior and Junior clerks of the schoc though approved by the Managing Committee and the local Municipal - Council, have not been given effect to for want of sanction and that the pay of the Senior Clerk of the school may be sanctioned at Rs 30/- per mensem with effect from 1st August 1946 as approved by the Managin Committee of the school and the Local Municipal Council

It is further reported that the Managing Committee of the school

school and the local Municipal Council at their meetings held on 7th November 1947 and 15th November 1947 respectively have resolved to enhance the contingent grant of the school from Rs.8/- to Rs 10/- per mensem The Secretary requests that the enhancement of the contingent grant of the school proposed by the Managing Committee and the Municipal Council may be sanctioned with effect from December 1947

Copies of the following resolutions of the Managing Committee of the above school and the Municipal Council, Krishnarajanagar are - submitted herewith:-

I Managing Committee's resolutions.-

(1) No.4 and 5 dated 10th March 1946

(2) No 13 dated 16th April 1946

(4) No 6 dated 15th November 1947

In the circumstances, I request that Government may be pleased to accord sanction to the following additional items of expenditure in respect of Sri Krishnarajendra High School,Krishnarajanagar, the entire extra cost on this account being met out of the funds of the school

With reference to your letter No L-2444 dated 9-9-1948 on the above subject I have the honour to state that the delay in the submission of proposals relating to the Municipal High Schools is partly due to the belated receipt of the same from the Managment and partly due to the incomplete form in which they are received which results in further correspondence with the various offices concerned I also wish to mention in this connection that correspondence with the Managment of Municipal High Schools in such matters is generally not replied to promptly perhaps sometimes due to the obvious delay in obtaining the necessary resolutions of the Managing committee and the Municipal Council concerned on the subject The case under consideration may be cited as a typical example which involved correspondence for about 2 years with the Management as fresh issues not referred to originally were raised subsequently during the course of clarification of certain points raised by this office Necessary instructions have been issued again to the Managements of all the Municipal High Schools to follow strictly the rule No 9 under appendix II of the Mysore Educational Manual Vol VII and to see that proper approval of Government is obtained through the Department to every item of additional expenditure in respect of their schools as and when the same is proposed to be incurred
